We might inform someone if we were concerned about your safety, but we would usually speak to you first. Your messages are stored and can be seen by other healthcare staff who follow the same confidentiality rules. We aim to reply to you within one working day and you should get an immediate message back to confirm we received your text. Texts will not be seen outside normal working hours. If you need help before you hear back from us, contact your GP, nearest walk in centre or dial 111. Our text number does not receive voice calls or MMS picture messages. We support messaging from UK mobile numbers only (which does not include messages sent from landlines, international mobile numbers and some 'number masking' mobile apps). To prevent the health professional from sending messages to you, text STOP to our number. Messages are charged at your usual rates.

School Attendance

We need you to.....

- Send your child to school on time.
- Ring/Text school early and daily if your child can not attend.
- Avoid holidays in term time.
- Keep school informed of your updated contact number.

We will.....

- Keep you regularly informed of your child's attendance.
- Treat any information you give us in a supportive and sensitive way.
- Welcome your child every day.
- Be happy that you have chosen to give your child the opportunity of the best future.

We understand that sometimes getting your children up and out on time every morning can be difficult, particularly if your child doesn't want to go for some reason.

We know that children who miss even small amounts of education can fall behind quickly and can miss out on so much. Being in school and on time increases learning and social opportunities.

Here are some ways you can help.

If you suspect that your child may be missing school or is unhappy at school, contact the school or the Inclusion Team who can help resolve any difficulties and offer friendly advice.

Make sure your child knows that you do not approve of them missing school for any reason, but be on the alert for any particular reasons for not attending school, like bullying, difficulties with school-work.

Make sure you know the school's attendance policy; every school has one.

If your child is away for other reasons like a doctor's appointment or the dentist, let the school know in advance. Please try and book appointments towards the end of the day.

Take an interest in your child's education, ask them what they did in school and celebrate their successes and listen to their worries.

If you can't help them, speak to the school and let them know of any difficulties.

If your child is absent get in touch with school. Staff will work with you to help improve the situation. It's better to contact us first so that we can make sure steps are taken to help you.

Make sure your child arrives on time to start school.
