Suggestions- School- Suggestions will be sent to relevant staff.	Canteen
School basketball team/basketball team/A basketball team/Basketball team	Think about making school food and drinks cheaper
Let us wear shorts, you nincompoops/t gets way too hot in summer terms can u please make a uniform for summer/t gets way too hot in summer terms can u please make a uniform for summer	Give good food for canteen as no one goes in there anymore and bring back yazoos and oasis
allow students to fill bottles during lessons	better canteen food and cheaper/Cheaper food
Bullying and 'don't judge' PowerPoint for all years, and someone can talk about what they have been through. Possibly at assembly... discussing homophobia	Add gluten free options
E block toilets, not taken care of properly particularly by lower years. There is never soap.	Healthy Food
Taking care of the toilets and cleaning them more regularly as there is always a unpleasant aroma and the floors are always wet when going into a cubicle	Make the food nicer
Lower the minimum heat for shorts, its very hot	Lowering food prices
Buses with a longer journey should be allowed to leave first to avoid some of the traffic	Lowering food prices
Hockey for boys in pe It is not right that girls and boys do different sports. Hockey should be taught to both genders, seeing as football, tennis, athletics, and rugby is taught to both boys and girls, there is no real reason why boys shouldn't do hockey too	Make school canteen food edible and reduce the amount of time it sits in the canteen before our set lunch time
Outside eating areas during summer/Put benches up on the bit of grass by the headteachers office./More benches around the field as this will be good for eating lunch	Healthy foods, such as: salad, etc.
School trips/more school trips!year 10 ski trip	
When will non-school uniform day? Or will we ever? and if not why?/	

Phones back as most of the school have done nothing wrong to deserve to be punished	
Ensure that wall-mounted clocks in classrooms are working; install clocks for the classrooms that lack one.	
could you add air conditioners to the classes	
non school uniform day/own clothes days	
longer brake time	
To be able to use our phones in break and lunch as it doesn't affect our lessons	
It is a little bit sexist that boys can't wear shorts but girls can wear skirts. My friend's school has changed their uniform so boys can wear shorts in summer so why can't Cowbridge do the same?	
when we have a school trip like the art trip tomorrow - 27 June 2024 - to LONDON where it will be overly hot i would like every year group who is going to wear non school uniform or all school uniform not just for example year 12 get to wear non school uniform but US, YEAR 10, do not. That is not fair. Fix it	
I came up to cowbridge in yr 7 with only 1 friend and she ended up in 7.6 and I am in 7.1 so I'm not in any of her lessons. I also find that every now and then I meet someone from the other side of yr 7 that I think is really nice but we never really stay in touch because she is in none of my classes and I don't know her well enough. For year 8 could we have our timetable mixed up a bit more in regards to split form lessons so that we can make friends easier because it can be tricky for those who's friends from primary aren't in any of their lessons. Thank you and hope that both ends of the year group are mixed. Jena :)	
Opening a gate for sixth formers to gain access to the car park instead of walking through the bushes or all the way around	
Take bullying seriously instead of giving the boys a one time discussion it does not help
